Explore Atholl Estates Scheduled Land Rover Tours

2009

Land Rover tours

Enjoy a breath-taking 2.5 hour land rover tour through some of the most remote, dramatic and tranquil areas on Atholl Estates. Our drivers both live and work on the estate and will share their specialist knowledge of the natural area which is rich in wildlife including red squirrels, birds of prey and mountain hares. October affords a special seasonal opportunity to hear the roaring stags and see the deer rut.
